## MESSAGE FROM THE PRESIDENT DR. MARK A. HUSSEY

Since arriving at Texas A&M University-Kingsville in January, I have had the pleasure of meeting many alumni and supporters across Texas. Together, we have reflected on our university's proud past and have shared exciting discussions about the future.

I believe Texas A&M University-Kingsville is exceptionally fortunate to enjoy the support of individuals who are both committed to excellence and passionate about our university.

That support is critical to our ability to provide world-class opportunities for our students and to continue the high-level research produced by our faculty and researchers. Both those components of our mission have state-wide and national impact. Truly—with you, we are without limits.

As you read the 2018 Annual Report of the Texas A&M University-Kingsville Foundation, I hope you will gain insight into the difference all gifts make.

We must continue our endeavor toward excellence, and we know that it cannot be achieved by us alone. Our university's success depends on the belief and encouragement of others in our South Texas community and far beyond. Help us continue to transform our capabilities as a university, allowing us to elevate possibilities for our students, faculty and all others who contribute to the vital mission of this institution.

# MESSAGE FROM THE CHAIRMAN

## RETIRED U.S. ARMY LT. GEN. RICARDO SANCHEZ '73

---

For almost 50 years, the Texas A&M University-Kingsville Foundation has partnered with the university to advance our shared mission of enriching lives through education, discovery and service in South Texas and beyond. The Foundation Board of Trustees has worked tirelessly to strengthen our partnership with the university, and we remain totally committed to achieving the vision of being a renowned, diverse community of learners and innovators.

As Chairman of the Foundation Board of Trustees, I have been privileged to see firsthand the tremendous growth of our partnership with the university. In 2018, the Foundation endowment reached an all-time high, and the Foundation provided \$3.34 million to advance the university's mission and help our students. This is the largest contribution in the history of the Foundation. Because of your generosity, more students will get scholarships next year, thereby allowing them to continue pursuing their dream of a higher education. There is no doubt that our donors are creating opportunities, improving the lives of our students and their families, sustaining our university's proud history, and securing its future.

The Board of Trustees has embraced, as its solemn duty, the task of eliminating the financial obstacles that keep many of our students from achieving their educational dreams. In 2018, we launched the most ambitious fundraising effort in the history of our university. Our comprehensive campaign slogan is "With You. Without Limits." I want to thank each and every one of you for investing in the future of our students, our university, South Texas and our country.

I dare to speak for all trustees when I say that A&M-Kingsville and its predecessor, Texas A&I, gave us the foundation for all of the success that

we've achieved in our professional lives. Now, we come together to ensure that future generations of Javelinas are provided the same opportunities.

The talents, potential and dreams of our students are limitless. With You. Without Limits. Our students can dare to dream of greatness.

We remain grateful and humbled by your willingness to support this great institution. Our university is the launching pad to greatness for our students as they seek to better American society and make an impact across South Texas and on the world stage. Thank you for your continued generosity and support.

Receiving scholarships has allowed me to focus more on gaining experience and maintaining my academic work rather than searching for income through various part-time jobs. I have been able to be involved in several organizations as an officer and member ... I have gained experience through my on-campus employment as a teaching assistant and attending outreach and education events.” -Kelley Wood '19, Range and Wildlife Science

## STEVEN AND KAREN TALLANT PRESIDENTIAL SCHOLARSHIP ENDOWMENT ESTABLISHED

---

In celebration of an era in Javelina History, the Texas A&M University-Kingsville Foundation established the Steven and Karen Tallant Presidential Scholarship Endowment in recognition of Dr. and Mrs. Tallant's service and commitment to Texas A&M University-Kingsville. Many of our supporters have asked how they can pay tribute to the Tallants, and we welcome your support of this newly established scholarship which will serve generations of Javelinas.

Donors are encouraged to contribute any amount and may make a pledge over multiple years. Any gift of \$10,000 or more will be matched by the Foundation. Thank you for honoring President Emeritus Steven Tallant and his wife, Karen, and Texas A&M University-Kingsville.

## FOUNDATION BOARD CHANGES

The Texas A&M University-Kingsville Foundation Board is happy to announce the addition of both James McAllen, Jr. and John "Mike" Howard '95 shortly following the addition of Jackie Collins '72 and Iris "Chip" Berthelot '82 in 2018.

The Board also welcomed its two newest trustees: Sandra Brown '87 and Thomas V. Shockley III '67.

McAllen joins the Board with an extensive family history in the ranching business. He comes from a multi-generational family of ranchers and is a descendant of Don Jose Manuel Gomez, who received the Santa Anita land grant. The land received in that grant is known today as McAllen Ranch, and it is one of the largest family-owned working ranches in the Rio Grande Valley. He is married to Katherine Moore, who serves as a professor of art at the University of Texas Rio Grande Valley.

Howard joins the Board with a rich

history of work with midstream companies, having served for over 20 years in the industry. He is also the co-founder of Howard Energy Partners, LLC, which deployed a 200-mile pipeline project through South Texas to Monterrey, Mexico. He was honored for his successful career by being co-named Central Texas Entrepreneur of the Year in 2017. He is married to Meredith, who owns M2H Communications, and has three children.

Brown is no stranger to the Texas A&M System, having previously served as the Vice President for Finance and Administration at Texas A&M University-Kingsville and later being hired as a Comptroller for the Texas A&M System at College Station. She ultimately retired from that latter position. Brown also served for many years on the Javelina Club Board. She is married to Thomas Brown, Jr.

Shockley has a solidified service to the university, as he was named a

Texas A&M University-Kingsville Distinguished Alumnus in 2000 and was also inducted into the Javelina Engineering Hall of Fame in 2016. He held a successful career in the electric utility industry, most recently serving as Chief Executive Officer of El Paso Electric Company from 2012 until his retirement in 2015. Shockley is married to Dorothy, who graduated from Texas A&I University in 1967.

Finally, we wish to acknowledge the dedicated service of Jean Claire Turcotte '58, '85, and Richard Ritchie '77 with their departure from the Foundation Board. Turcotte's service to the university's foundation began in 2007, and she also continues to serve on the Board of Directors for the J.E. Conner Museum. Ritchie has served the university's foundation since 2005 and also served as a Javelina Club Board Member from 2016-2018. Their commitment is greatly valued, and we are grateful for their steadfast effort over the years in support of the university.
